WEDDING FLOWER CHECKLIST

Your wedding day is one of the most special days of your life, and you obviously want it to go without a hitch. Use this quick and easy checklist to make sure that you haven't missed a thing.

Make an appointment to see one of the professional florists at Woodlands to discuss your individual requirements ... we can work with you to ensure that your wedding flowers are as special as the day itself.

It can be useful to bring with you any pictures that you have seen in magazines of flowers or bouquets that you like. In addition please bring a sample of material from both yours and your maids dresses.
